Nova MusicFest 2023

(raising money for *Cancer Can Rock*)

Sunday, May 28th

at 868 Estate Vineyards,
144001 Harpers Ferry Rd,
Hillsboro, VA

Looking for vendors of local products that would appeal to a diverse audience of wine lovers, music lovers, cancer survivors, and creative people. We are expecting an audience of 600 people throughout the day. Only one vendor of each type of product will be accepted.

What is Nova MusicFest at 868?

It's an annual concert featuring multiple music acts from around the DMV who come together for a great day of music supporting **Cancer Can Rock**, a non-profit organization that provides recording sessions for musicians with cancer. These recording sessions, and the conversations that occur along the way, are a way of uplifting these musicians during this time of challenge and giving them a permanent record of their music for themselves and their loved ones.

Where is Nova MusicFest at 868?

The venue, 868 Estate Vineyards, is located in Northern Loudoun County and provides a beautiful outdoor space for people to come together to listen to great music, drink estate-grown local wine, and enjoy food and local beer, all in the name of supporting musicians with cancer in our community.

If accepted as a vendor, there is a required \$50 donation to Cancer Can Rock to be paid by May 15th. Checks made out to **Cancer Can Rock** can be mailed to:
